

# Congratulations!

You've just drafted your LPA - how easy was that? Now that you're finished, you'll need to follow the execution instructions below to make sure it can be used.

## Next Steps:

### ***Read and Check Your LPA Thoroughly***

Please check that all the details provided are correct, and that your intentions are reflected clearly in the LPA.

### ***Meet your Certificate Provider***

You should have appointed one of our legal service providers as a certificate provider using our interface. The law firm will get in touch within 3 business days. Arrange for a meeting with them to execute your LPA.

### ***File your LPA with the Office of the Public Guardian***

The legal service provider that you have appointed will file your LPA for you. Upon approval, you'll be able to access to e-copy of the LPA under the e-services section on the Office of the Public Guardian Website (<https://eservice-msf.msf.gov.sg/>).

Your LPA is now ready to go! Remember to tell your loved ones that you've written one so they'll know in the event they need it.

If you're unsure of any of the above, don't hesitate to reach out to your lawyer for legal advice.
